

Tag-Tails Refunds & Returns Policy

Tag-Tails Refunds & Returns Policy

Last updated: 18 September 2026

1. Overview

This policy explains how refunds, returns, and replacements work for Tag-Tails products and subscription services. It applies to all customers in the UK.

2. QR Tags (Physical Products)

Free Tags

Tag-Tails QR tags are free. You only pay postage (£2.99).

Returns

Because tags are free, returns are **not required**. If your tag is damaged, faulty, or lost, you can request a replacement.

Replacements

We will replace tags that are:

- Damaged in transit
- Printed incorrectly
- Faulty or unreadable

Replacement tags are free; postage may still apply.

3. Subscription Refunds

Monthly Subscription

Refunds are **not offered** for partially used months.

Annual Subscription

Annual plans are non-refundable once activated, except where required by UK consumer law.

Service Issues

If Tag-Tails experiences a major outage that prevents subscription features from working for an extended period, we may offer:

- Account credit
- Extension of subscription time

Cash refunds are not provided unless legally required.

4. Postage Refunds

Postage (£2.99) is refundable only if:

- The order was cancelled before dispatch
- The tag never arrived
- The tag arrived severely damaged

We may request a photo of the damaged item for verification.

5. Lost Tags

If your pet's tag is lost:

- You can deactivate it in your dashboard
- You can order a replacement (postage applies)

Lost tags are not eligible for refunds.

6. How to Request a Refund or Replacement

You can request support through:

- Your Tag-Tails account dashboard
- Email: support@tag-tails.co.uk

We aim to respond within 48 hours.

7. Legal Rights

This policy does not affect your rights under UK consumer law.

If you want the **Cookie Policy**, **Finder Terms**, or **Acceptable Use Policy**, I can generate those next.
